An Award-Winning Physician Experience Starts Here.

Health Choice Network is honored to be the first Health Center Controlled Network to earn the

KLAS RESEARCH | Arch Collaborative

PINNACLE OF EHR EXPERIENCE AWARD

Earned through direct physician feedback, this award reflects years of collaboration with our health centers to optimize Epic Powered by HCN, improve clinician workflows, and create an EHR experience physicians value.

Hear From Our Health Centers

> HCN truly cares about its members and the ability to connect with other hosted health centers is invalidable.
> ***– Robert Palussek, CEO***

LEGACY COMMUNITY HEALTH

> Our providers are the happiest I have seen them in years. Their work-life balance has improved 100%.
> ***– Renee Hively, CEO***

careArc

> The use of Epic has truly transformed my patient care and has given me back joy of work all over again. Epic helps me spend less time searching for information and more time caring for patients.
> ***– St. Anthony Amofah, Executive VP, Chief Clinical and Academic Officer***
